The main screen provides an at-a-glance list of **contributions received** into the account and **grants paid** out of the account. You will also see the Current Balance, updated monthly, and the current Fund Advisors will be indicated just below the balance. Note that each person listed will have similar access to the Advisor Portal.

The menu bar along the top of the window provides the following additional options:

- **Choose Fund** - allows you to select a different account for which you serve as an advisor
- **Contributions** - provides in-depth information regarding each contribution received into the charitable account. Provided the donor has not requested to remain anonymous, you will be able to learn more detail about each donor by clicking his/her name.
 - You will note that an “Export” option appears on the far right side of the menu bar. This feature will export information about each donation into a Microsoft Excel spreadsheet.
- **Grants** - provides more detail about all grants paid from this charitable account. The top section provides a summary of grants by recipient (aka, grantee). Scroll down past the summary section to see an itemized list of grants paid in descending order (most recent first).
 - Look for the word “Complete” in the Status column to know the grant has been paid.

- Other status indicators will appear as the grant moves along our internal processes. Only the status “Complete” confirms that a grant has been successfully paid. Contact the helpful Catholic Foundation team for questions about grant status indicators.

- **Grant Requests** – (see image below) use this tab to recommend a grant payment from your Donor Advised Fund or Sponsorship Account. You will find the Grant Requests window divided into four sections.
 - The Grants Listing appears in the right half of the window. Here you will find each grant recommended/paid from this charitable account listed in descending date order. Look for the word “Complete” in the Status column to confirm a grant has been successfully made.

 - Choose from previous grantee** – You can recommend additional grants to charities previously granted from this account using this handy tool.
 - Search for Other Grants** – This box queries the complete list of nonprofit organization holding current 501(c)(3) tax-exempt status with the Internal Revenue Service. If the Catholic Foundation has granted to a charity before, you will find them in the basic search.
 - Confirm with GuideStar** – If this is the *first time* you are making a grant to a charity through the Catholic Foundation, please ensure the proper name, location and tax ID of the charity. Easily search for the nonprofit through GuideStar with one click if you have the accurate name. This is especially helpful if there are organizations with similar names.
