The menu bar along the top of the window provides the following additional options:

Catholic Foundation of Michigan

- **Choose Fund** - allows you to select a different account for which you serve as an advisor
- **Contributions** - provides in-depth information regarding each contribution received into the charitable account. Provided the donor has not requested to remain anonymous, you will be able to learn more detail about each donor by clicking his/her name.
 - You will note that an “Export” option appears on the far right side of the menu bar. This feature will export information about each donation into a Microsoft Excel spreadsheet.
- **Grants** - provides more detail about all grants paid from this charitable account. The top section provides a summary of grants by recipient (aka, grantee). Scroll down past the summary section to see an itemized list of grants paid in descending order (most recent first).
 - Look for the word “Complete” in the Status column to know the grant has been paid.
 - Other status indicators will appear as the grant moves along our internal processes. Only the status “Complete” confirms that a grant has been successfully paid. Contact the helpful Catholic Foundation team for questions about grant status indicators.
- **Statements** - Statements related to this charitable account will appear under the Statements tab. This ensures each quarterly statement is archived in one convenient location that can be accessed at any time by any of the fund advisors. Statements are updated monthly.
- **Files** - important documents related to this charitable account will be archived here.
- **Add Funds** – it is easy to add new funds to your charitable account online via credit card. All additions payments here are gifts/donations that are fully tax-deductible.
- **Log Out** - If you access the Advisor Portal from a shared computer or device, we strongly encourage you to use the Logout option after completing each session. This ensures no one other than you has access to the system.
